

Scuola Superiore  
Sant'Anna

di Studi Universitari e di Perfezionamento

**Series of Seminars:  
International Relations And Law: Contemporary Aspects**

**Present and upcoming international challenges: country analysis  
(Draft proposal n. 3, 28.3.2008)**

**Coordinator: Prof. Andrea de Guttry**

The seminars are aimed at analysing and discussing recent events occurred in strategic geopolitical areas of the world. The seminars will follow a multidisciplinary approach and they will review the legal aspects as well as the political and geo-strategic ones of the different scenarios. Each seminar will benefit from substantial inputs of international experts; selected Scuola Superiore Sant'Anna students will introduce the topic and provide an in-depth legal analysis of each country presented.
